

Figure 1: Part of the concordance on the word 'welfare', showing some key clusters and indexing some key themes.

N	Concordance
13	is truly over, that surely starts with stopping business welfare. The recent Australian budget deregulates higher
14	age of entitlement should start with the end of business welfare. ... I know that most families are doing it tough,
15	want to bear down on what some people call middle-class welfare. We have said that it will not be paid once the
16	to bear down on what's often described as 'middle-class welfare', and while we're all in favour of choice and we
17	do have to reduce what's been described as middle-class welfare if all of us are going to prosper in the years ahead.
18	you're absolutely right, we don't want to see corporate welfare. What we want to see is a country which has got
19	a fair point you make, Sid. We don't believe in corporate welfare, but we do believe in trying to give people and
20	responded quite appropriately to requests for corporate welfare given that the age of entitlement is dead. We have
21	welfare but is worried about their long-term economic welfare. +++++ Well that's a fair point Luke and I
22	shifting our focus from entitlement to enterprise; from welfare to work; from hand-out to hand-up; from our own
23	replacement wage. Paid parental leave isn't a gift. It isn't welfare. It's a workplace entitlement – and to ensure it
24	of welfare is work. I want to stress that – the best form of welfare is work and this is a programme that is specifically
25	more Australians into work – because the best form of welfare is a job. You can find out more about our
26	What I said pre-election was that the best form of welfare was work and I think that working-age people – fit
27	more Australians into work – because the best form of welfare is a job. =====
28	Australia. We need to remember that the best form of welfare is work. I want to stress that – the best form of
29	more Australians into work – because the best form of welfare is a job. For more information on Restart, contact a
30	in the economy. Let's face it, the best form of welfare is a job; and keeping people on welfare who could
31	culture of unemployment. We want to break the cycle of welfare dependency. We don't want people to leave
32	and stay in that job, and keep having a go and stay off welfare, well there's something there as a tangible reward.
33	in assistance if that person is taking someone off welfare who's over 50 and into work. So, I absolutely
34	for young, long-term unemployed Australians to move off welfare and into paid work. Many jobseekers find
35	payments for young people who would like to move off welfare and into the workforce. I want to assure the people
36	if they get a job, and stay in continuous work and off welfare for two years. All of the Government's policies are
37	Restart, for businesses that take people over 50 off welfare and into sustained work. Employers who hire an
